

****EVERY NEW MEMBER MUST REGISTER AND HAVE THEIR OWN ID# TO ACCURATELY TRACK DATA.**

[REGISTER ON THE RAPIDSHOT APP](#)

Download the App in the Apple Store or on Google Play

New members to RapidShot – Create a member ID#

Register as -

1. ATHLETE (13 +) – Create a profile and join a location*
2. PARENT - Create a Parent Profile and join location*
 - a. **Register** - children new to RapidShot (required for under 13) to create a family roster.
 - b. **Invite** - athletes who already have a member ID# to the roster.
Update the child's profile in the center site to include an email prior to inviting.
Use parent's email for those under 13.
3. COACH – Create a Coach Profile, join a location and invite athletes to join your roster.

* See the location manager to add minutes to your account.

Existing RapidShot members with an ID# registering on the app**

4. Athlete (13 +) - Use your current member ID # and email to register as an Athlete and create a profile. Join a location and current data will show up on the app.
5. Those under 13 – Have a Parent register on the app and join your location. Then Invite the child with a member ID# to join the roster. *Update the child's profile in the center site to include the parent's email prior registering on app*
